Dear Graduate School Admissions Committee,

This is an official GSMI Participation Letter for Arturo Moises Flores Alvarez (DOB: 7/6/1997) who can be contacted at this email (amfloresa@uni.pe) and who graduated from National University of Engineering (Lima, Peru) Arturo's research mentor is Patrick Franks, Ph.D. in Mechanical Engineering, Stanford. Arturo is an official program participant for the **2021 -2022 Científico Latino Graduate School Mentorship Program**, focused on helping underrepresented students in STEM. As part of this program, Arturo is paired with science professionals (PhD students, postdocs, faculty) to provide feedback on their graduate school applications. Our GSMI 2021 scholar receives graduate school preparation guidance, an individual mentor based on their science field, webinars, and mock interviews. Arturo is an active participant in our GSMI 2021 community as demonstrated with engagement in our program, meeting with their mentor, and monthly check-in surveys. If there are any questions, please feel free to reach out to us.

Thank you,
